

Mobiles⁴Missions

Program Instructions

1. Set up a box. Using the enclosed signage, set up a collection box in a highly trafficked area of your church, school or workplace.

2. Seal it up! When the box is full, register your donation online at <http://mobiles4missions.wycliffe.org>. You will receive shipping instructions and a pre-paid FedEx shipping label.

Please donate only cell phones and chargers. Weed out any cell phone boxes and instruction manuals before shipping.

Thank you for your participation. Your donation benefits not only Wycliffe but also the environment through safe resale or disposal procedures.

For your security, all data is deleted from every cell phone donated.

If you have any questions, contact giftinkind@wycliffe.org or 1-800-WYCLIFFE x3894.

#ADVDES1462

The background is a complex collage. It features several mobile phones, some in the foreground and others faded in the background. Overlaid on the phones and the entire scene is handwritten text in various colors, including red, yellow, and brown. The text is cursive and appears to be a mix of different languages or dialects. The overall aesthetic is artistic and textured, with a warm, golden-brown color palette.

MOBILES 4 MISSIONS

TURN YOUR OLD CELL PHONE INTO TRANSLATED SCRIPTURE

† **INCLUDE CHARGER WHEN POSSIBLE** †

† **NO BOXES OR INSTRUCTION MANUALS PLEASE** †

THANK YOU FOR MAKING A DIFFERENCE
